Corrugated Sheet

Among the first manufacturers in Canada to produce 36-inch wide PVC corrugated sheets, available in various lengths such as 10 ft, 12 ft, 16 ft and custom lengths. These leaves are mainly used in farm buildings, and the market also opens up to cheese factories, slaughterhouses, and car washes.

Applications

Agricultural buildings	Supermarkets	Garage interior finishing
Cheese dairies	Warehouses	Shed interior finishing
Slaughterhouses	Cold rooms	Lave-auto
Pig farms	Laboratories	Laiteries
Butcheries	Veterinary clinics	Piscicultures
Stables	Garbage rooms	Plans alimentaires
Stables	Bathrooms	Chenils
Fish shops	Showers	Salaisons
Restaurants	Schools	Cuisines
Cafeterias	Playrooms
